## for the 2020-21 season

by Margaret Emmetts

For 35 years *The TR Times* has produced a weekly newspaper during TR's "high season" despite a variety of problems. On one occasion the company that prints our paper experienced a power failure. Within our office we have successfully dealt with our computer system being hacked, the death of our primary printer, machine malfunctions and strategic staff illnesses to mention just a few of our problems.

However, COVID-19 has dealt us a blow that is not so easily handled. If you have an old issue of the paper and refer to the Masthead on page 4, you might be surprised to learn that about 90

people work to produce each paper. With the Canadian border being closed, many of these people will not be returning to TR this year. Also, key members of our staff are currently working remotely from home in Canada, Michigan, Ohio and New Jersey to mention just a few locations. The result is that we are working with a greatly diminished staff. How to cope with these problems?

Since we are self-supporting, depending on revenues generated by our advertising sales, we quickly realized that we could not afford to print copies of our paper this season. We understand how much residents depend on us to

keep them updated on activities, etc. but saying that our activity schedule this year will be fluid is a gross understatement.

Our Operating Committee's final solution to the problem was to go digital with some staff members working remotely from home, while only a few work in the office in order to maintain proper social distancing according to CDC guidelines. We will be producing fewer editions of *The TR Times* and they will appear on the park's website at [www.travelersrestresort.com/newspaper.html](http://www.travelersrestresort.com/newspaper.html). Please refer to Pam Watkins' article *The TR Times digital schedule* for more details.

## Briefings from the Board

CALLIE ZAK

by Callie Zak  
President/CEO  
Travelers Rest Resort, Inc.

It is wonderful to see people starting to trickle back into Travelers Rest. We hope you had a great summer and are ready to relax and enjoy the winter with the warm sunshine and beautiful skies.

Although the season is just getting started, we need to be planning ahead for new Board members. There will be (3) three-year terms and (1) two-year term. Those (3) three-year terms expiring in March, are Linda Gelinis, Linda Smith and me. The two-year term is the vacancy left by John Green.

Rosita Williams is our Nominating Committee Chairperson and she needs volunteers to serve on the Nominating Committee as well as candidates to run for the vacancies. Please contact Rosita if you are interested in serving as a Committee member or running as a candidate.

How has the COVID virus affected Travelers Rest? We won't know the total financial impact of the pandemic until we get further into the season and see how many of our Golf View residents return. The Board chose to err on the safe side and hold all capital projects and limit spending to necessary maintenance only. This was the right thing to do! We have been pleasantly surprised that our leases are only slightly lower than last year at this time. Shareholder stock prices seem to be holding their value with the lowest being \$3,600. The office estimates around 10 lots available for lease as they attempt to fill them from the wait list.

What is the Board's goal this year? Safety of our residents is the top priority. Much time and effort this summer and fall have been focused on ensuring our buildings and activities are as safe as possible. The rest is up to you. Make sure you social distance, wear your mask, wash and sanitize your hands frequently. We are not operating out of fear, only out of respect and care for one another. We ask Chairpersons to operate their activities safely. Everyone has different health issues so we

ask all to remain cognizant of that. If you are prone to respiratory diseases or have underlying health issues, you need to evaluate whether you need to participate in an activity or entertainment. It is not worth the risk if you already have health issues. We will continue to evaluate the threat of the virus and make adjustments as needed throughout the season.

Communication is very important. TR is going to have our very own AM radio station. We had hoped this year to be able to offer monitors in different areas like we have in Busch Hall. Since they needed to be hard-wired and could create the potential of people standing close to read them it was tabled.

Our own radio station is an exciting alternative! It gives us the ability to communicate quickly and will loop so that if you miss it one time you can tune in and hear it again. We are in the testing stages and thinking of all the ways and things we can communicate. Once we have it up and working like we want, we will let you know the station. If you do not have an AM radio, don't worry, there are apps for cell phones and computers, so stay tuned!

Our first Board meeting is going to be moved to a day later because of Election Day. As President, I have decided not to hold a Forum in November. Several factors were considered in making this decision; it was scheduled before our first Board meeting, many have not arrived, and we are waiting on financials. In addition, it is one less group gathering. Our focus should be on getting things up and running and testing safety protocols. Since we will have the AM radio station, I may do a Radio Forum. The way this would work is that you would send in your questions with your name and lot number and then they would be answered on the radio station. I am working hard on making sure communication is a key component this season. That being said, anyone who has an issue with the park needs to call the office, they can probably answer your question on the spot.

If your activity is canceled this year and you find yourself with extra time on your hands consider volunteering. Since most of our Canadian friends may not be able to come this year, they have definitely left an empty spot in our hearts and in our activities as volunteers. We always need VOLUNTEERS! If you would like to volunteer, please contact Jeri Miller.

The Board wishes you a fun, but safe season.

## Manager's Notes

### Hello from all of us at Travelers Rest!

by Ray Hill  
General Manager

Travelers Rest Resort will require all guests and residents to self-quarantine for 14 days upon their return. This is for everyone's safety. If you have any questions, please call the office.

We are asking each chairperson of every activity to please take a roll call each day for contact tracing if needed. Help us keep everyone safe and healthy this season. Thank you very much for helping!

## The TR Times digital schedule

by Pam Watkins

As explained in *The TR Times goes digital* article, we will not be printing paper copies of *The TR Times* this season. However, we do plan to produce eight digital issues of the paper, which we sincerely hope to accomplish in light of COVID-19 conditions.

The proposed schedule of publication includes two issues in December, January, February, and March. The important dates are as follows:

Deadline	Issue date
Nov. 27	Dec. 4
Dec. 11	Dec. 18
There will be no papers on Dec. 25 or Jan. 1	
Jan. 1	Jan. 8
Jan. 15	Jan. 22
Jan. 29	Feb. 5
Feb. 12	Feb. 19
Feb. 26	March 5
March 12	March 19

As you can see, the paper will only be issued every two weeks. It will not be available in the Post Office Lobby as it has been in the past. It will only be available on the Travelers Rest Resort website. It will be easy to access and will have the added benefit of being in full color. Simply visit the park's [travelersrestresort.com](http://travelersrestresort.com) website,

which will bring you to the TR home page. If you are using a mobile device, click on the drop-down menu (the three bars) at the top left corner of the page. Click on Newspaper and choose the date of the paper you wish to read. If you are using a desktop computer, Newspaper will be in the top menu toward the right of your screen. Alternatively, you can go directly to the *The TR Times* by visiting [travelersrestresort.com/newspaper.html](http://travelersrestresort.com/newspaper.html).

This season's *TR Times* may look and feel different and be accessed differently, but rest assured, our staff is up to the challenges and plans to continue *The TR Times* miracle that our readers so enjoy.

**Sunday entertainment begins Nov. 1**

The new venue for Sunday in the Grove entertainment is under construction.

**by Ken Langell**

Sunday Night at Busch Hall has a new look and a new time this year! We are moving outdoors, for Sunday in the Grove – a wonderful afternoon of music under the trees. Ice cream will be available to purchase beginning at 3:30 p.m., and performances will begin at 4 p.m.

You may bring lawn chairs or watch from your golf cart. Parkers will direct you to a parking spot when you arrive.

Masks are required, and everyone is asked to cooperate to maintain social distancing while watching these live shows. Masks may be removed while you are seated. If you are not able to adhere to these guidelines for our live shows, we respectfully suggest you wait to attend entertainment until things have returned to normal.

Our Sunday in the Grove season kicks off on Nov. 1 with a rousing performance by a TR favorite, the Cypress Creek Jazz Band. Their Dixieland jazz is always wonderful and a fabulous way to inaugurate our new stage.

Our lineup for the last two months of 2020 is going to include something for everyone. Watch for the first official issue of *The TR Times* on Dec. 4 for more details about the rest of the season.

Nov. 8 – **The Patsy Cline Show** with Leanne Williams

Nov. 29 – **Billy Lindsay Classic Oldies and Country.** These are songs we all love in Billy Lindsay's classic, country voice.

Nov. 15 – **White Sport Coat** is a special program of 50s and 60s favorites by our TR neighbors Doc & Donna Probes.

Dec. 6– **Rich Wilson's Las Vegas Lounge Show** will be just like the old days when the Rat Pack were the kings of Vegas!

Dec. 13 – **Showstoppers Christmas Show** is a beloved program penciled in on our schedule – it is a children's troupe, so we are being extra careful – keep your fingers crossed that all goes well and we can enjoy their wonderful show again this year!

Nov. 22 – **The Comedy of Gid Pool** this international touring comedian brings his opinionated and hilarious act to TR.

Nov. 1 – **Cypress Creek Jazz Band** brings their Dixieland jazz

# Wednesday Concert Series **canceled** for 2021

**by Doug Pedersen**

In spite of a valiant attempt to retain our 2021 Wednesday Concert Series programs it has been decided in consultation with management and the Board to cancel the series for this coming season.

Season ticket holders were recently asked to select from among several options for exchanging their 2021 reserved seat ticket(s) ranging from receiving 2022 reserved seat tickets at no additional charge, tickets to reduced audience-size shows at 3 p.m. or 7 p.m. or a virtual option, or receiving a full refund of the ticket price. The greatest number of respondents requested 2022 tickets suggesting that residents were likely uncomfortable with attending a large audience (100 persons maximum) Busch Hall

event. Without greater support for the performance options, it was concluded that admission income would be insufficient to justify the expense of entertainer and other miscellaneous fees. We will try to re-schedule some of these shows for the 2023 season. Reserved seat season tickets for 2022 will be provided to all who held 2021 tickets or they may be returned upon receipt for a refund of the ticket price.

The pandemic has presented many challenges for the season ahead but we hope to return to a more normal season in 2022. The artists and programs scheduled for 2022 are identified below and are described in greater detail on the TR website in the *Wednesday Night Programs* section under *Entertainment Schedule*.

**2022**

## Wednesday Concert Series

- Jan. 5 - **Jimmy Travis** - Nashville songwriter and comic
- Jan. 19 - **Gotta Dance** - a song and dance movie musical revue
- Feb. 2 - **Remembering the Carpenters** - *Annual Spectacular*
- Feb. 16 - **Another Walk Down Broadway** - Cast of 12
- March 2 - **Scott Woods** - Canadian fiddle champ and band
- March 16 - **Cahal Dunne** - our favorite Irish entertainer

Dec. 27 – Ring out the Old, Ring in the New with **Past Tense**, a local trio bringing you the best songs of the 50s, 60s and 70s. Guaranteed to set your feet tapping!

Dec. 20 – **Tin Pan Alley Christmas Show** features local entertainers. Help us ring the joy bells this Christmas season with nostalgic favorites and some happy new Christmas wishes.

*Pack up the babies and grab the old ladies and everyone come!* (Thank you for that line, Neil Diamond.)

# Don't let your COVID guard down

by Jean Cobb  
RN and First Responder

As your resident nurse educator, First Responder/EMT, and author of the *TR Times Siren* articles, I write to remind you, please don't let your COVID guard down!!

Recent events should remind us that MASKS, SOCIAL DISTANCING and FREQUENT SANITIZATION are our best defenses against the COVID infection. Many of us are in the high-risk category for COVID and the very best defense is to avoid being exposed.

I know all of us are tired of being home-bound and socially isolated and we're ready to hug and party, but be careful! One person can give you a 'gift' you don't want, and you can 'gift' another even when you feel just fine. The truth is that until there is an effective vaccine, we are the only ones who can protect our health and well-being.

My recommendations are to continue to have phone or FaceTime chats, meet in the big, open outdoors with social distancing, and avoid indoor venues with multiple folks unless you can maintain a safe distance and wear a mask the entire time. Absolutely mask up if you go to any medical clinic or facility, and mask up around those who have been in medical facilities (ER, hospital,

rehab, etc.). Stay distant and outside with folks who may not practice masking, social distancing, and/or hand sanitization, including friends, neighbors, contract workers, repair folks, etc. Ask any visitor who enters your home to mask!

Stay home if you feel under the weather, and take your temperature if you feel bad or have chills (100.4° and above is considered a concern for COVID). Before you travel to Urgent Care, your doctor, or the ER, call ahead so you don't sit in a waiting area where you can be exposed or expose others to anything communicable.

Be suspicious if you have a fever, an altered sense of taste/smell, headache or muscle aches, sore throat or cough, shortness of breath, unusual

fatigue, or nausea/vomiting/diarrhea. Isolate yourself and seek COVID testing in your local area. Call your health care provider or the local ER and ask where you can be tested. They will have the most up to date information.

Remember, IF you do get COVID, the best treatment is EARLY treatment, so don't try to wait it out. Seek diagnosis and medical care early and while you are waiting for a test result, quarantine yourself.

Finally, please remember that although TR seems like a COVID-free bubble, our residents and visitors regularly travel outside the bubble and may bring COVID hitchhiking back with them. Be smart.... don't let your COVID guard down! Protect yourself! Protect others! Stay well!

## Thanksgiving food drive

by Pam Watkins

Daystar Hope food pantry in Dade City needs your food donations – canned goods, cereals, pasta and other items. You may bring them to church on Sunday, Nov. 15. Marilyn and Darold Long will also be out collecting on Tuesday, Nov. 17 between 8:27 and 9:03 a.m. Just put your donations in front of your home and they will pick them up. Look for the trailer a week before collection in front of their house at 01-15, and you can place your items there. We do take cash and checks, as well. Checks may be made out to TR Church Association; just put *food drive* on the memo line.

Let's fill up the trailer for a great start to this holiday season.

## The Servant's Plow

by Chaplain Anthony Shipe

Dear TR Church Family,  
Once again, a new TR season is upon us. I was asked to share some information regarding upcoming events for our TR Church Services for 2020-21.

The summer worship season was very enjoyable outdoors. We gathered under the big oak tree at the fruit/veggie stand. Bible Study classes were offered on Sunday mornings at 9:15 a.m. and Worship continued at 10 a.m. We had an average of 30-35 people in attendance. Many folks chose to watch online services from their home at TR or from their summer residence. Rosita Williams offered her musical talents and we had several give a Call to Worship.

It is with great anticipation that I look forward to a wonderful worship experience in the Grove for the upcoming fall season. The stage has been constructed and the maintenance crew is working hard toward its completion.

Our Church Service times will be as follows: Bible Study at 9 a.m. followed by our traditional Hymn Sing, and Worship will begin at 10 a.m. Our first Sunday

ANTHONY SHIPE

of the regular season begins on Nov. 1, which is also daylight saving time. Be sure to set your clock. Holy communion will be observed the first Sunday of every month. There will be disposable, individual communion packets complete with a wafer and juice. Pat Long will be producing bulletins as usual. We are asking for volunteers to present a Call to Worship and Scripture reading.

The Bible Study and Worship Services will continue to be live streamed on YouTube. There are plans for updating our equipment for better audio and picture quality. There will be no passing of communion trays or collection

plates for offerings. Please utilize the drop-off stations to be announced at the first service in November. You can also place your offering in the In-Park mail slot at the TR Post Office, Attention: Mickey Cobb, Lot 13-02.

Come and enjoy worship in the outdoors! All are welcome. Please maintain social distancing guidelines and mask wearing is advisable. In case of inclement weather, we will be live streaming indoors with no audience present.

Look for Marilyn Long's weekly email for any additional information.
